RACING WITH STYLE!

This 16th race takes place during Malta's Presidency of the Council of the European Union, and proposes four novelties :

- this year, the traditional and smart (blazer mandatory!) « **Owners Dinner** » will take place the day before the race start – Friday 23rd June – at the **Citadelle de St-Tropez**, in the exceptional setting of the Maritime Museum.
- admissions alongside the usual « **Tradition** » « **Vintage** » & « **Classics** » (CIM), « **Spirit of Tradition** » (IRC) yachts, are also open to the « **Classic Racers IOR** » (CIM), as well as « **Modern Classic** » and « **Neo-classicals** » yachts (IRC), which after acceptance by the Admission Committee, will also be able to race, if necessary within a specific class and therefore have a specific ranking.
- a brand new **finish line** in the magnificent and little known **island of GOZO**, in the archipelago of **Malta**.
- the **final and prize-giving dinner** will take place Wednesday 5th July at the prestigious **Royal Malta Yacht Club** clubhouse terrace in front of its private marina.

Of course, our historical first stopover remains **Porto Rotondo** in **Sardinia**, with the traditional *dinner in white* served in the splendid **Yacht Club Porto Rotondo** clubhouse, with a direct view on the marina and the beach.

After two years, our second stopover will be back in **Trapani**, historical **Sicilian city**; gathering our participants for a friendly and entertaining buffet-dinner, at the **Marina Vento di Maestrale**.

This race will be an occasion to honor Malta, young European Republic – which took the Presidency of Europe in January for the first time – and to welcome the newly appointed

ambassador of Malta to Paris, H.E. Patrick Mifsud, who has accepted to be the Honorary President of the 16th TROPHÉE BAILLI DE SUFFREN. It will happen in the presence of our patron for this year: Maud Fontenoy, vice-president and delegate for the sea of the PACA Regional Council (Provence Region).

We are really looking forward to sharing with you those special moments on the sea and during our stopovers:

Fair winds! And we wish you exciting sailing this year.
